# Guidelines for using the price list

Lloyd Loom of Spalding offers more than 200 separate pieces of hand made furniture, each available in 18 standard colour finishes. Our upholstery fabrics are also available in many different colourways.

We have tried to keep our price list simple but please read these guidelines to help navigate through the prices of the different options available.

## General Introduction

There is a separate entry in the price list for each individual model that we produce. The external dimensions for each piece are provided and, where appropriate, the seat measurements are also given.

If you are looking for a specific price for an item that you have seen in our brochure or on our website, this can be found either by looking in the index or by searching by product code.

## Code Numbers & Abbreviations

Every item has a name, e.g. Burghley Armchair, and a code number, e.g. C001S. To help explain the differences between models we also use a series of abbreviations. The most important of these are explained below.

- S – Skirt      MS - Mini Skirt
- SS – Sloping Skirt
- P – Luxury foam padding under the weave
- W – Weave seat
- F – Fabric seat
- D – Drop in cushion
- U – Fabric Seat and Back
- FU – Fixed upholstery
- B – Double weave back (DWB in descriptions)

## Paint Colours and Finishes

Our indoor traditional weave Lloyd Loom furniture is available in any of our standard 18 colours – samples of these are available from your retailer or from the company. There is no additional charge to select any of these colours.

## Non-Standard Colours

Lloyd Loom of Spalding also offers furniture in any of the 132 Farrow & Ball paint colours. You may also choose one of the 1000 RAL colours available. There is a surcharge of 10% for non-standard colours or on old Lloyd Loom colours that you may wish to match. Antiquing can be done for an additional 15%.

## Naturals Colours

The Naturals Laziz Stool is available in a limited range of colours: Clear, Nutmeg, Burnt Oak, Cream and Cirrus

## Fabrics and Upholstery

Band A, B, C and leather in the price table relate to price bands for different fabric types. For customers own material use the Band B price and the Band A for sofas. Fabric requirements for upholstered pieces are given at the front of this price list where there is more information about ordering cushions.

## Weave Types

Unless specified otherwise, your Lloyd Loom furniture will come in the standard weave pattern. However, Lloyd Loom of Spalding has additional patterns called Lattice and Pattern, which can be used on some pieces typically the classic armchairs.

## Ferrules and Gliders

Ferrules are an optional extra, denoted by a (F) against the product code. They give a finishing touch of brass, copper or stainless steel to the feet of some chairs and tables. When ferrules are fitted we also fit felt or nylon gliders to protect flooring. Gliders can also be fitted without ferrules and are free of charge.

Please indicate on order if you would like gliders.

## Table and cabinet tops

All of our table and cabinet tops are available in weave or weave and glass, denoted by W,G in the price list.

Some tables are available with Oak tops denoted by O.

## Outdoor Lloyd Loom Furniture

Is only available in 4 colourways as listed against the individual items.

## TABLE OF FABRIC REQUIREMENTS FOR CUSTOMER'S OWN MATERIAL

The requirements are based on a plain fabric, width 1.4 metres and for quantities of less than 5 cushions. For patterned fabrics or for greater quantities please contact us.

For separate fabric seat models 1 fabric requirement will cover 2 seats.

All fabrics must comply with the Furniture (Fire Safety) Regulations 1988. If your fabric is not FR treated to the required standard we can provide fire resistant interliners, priced on request.

## LOOSE CUSHION REQUIREMENTS

1" Chair Cushion	0.60
1" Sofa Cushion	1.00
2" Chair Cushion	0.70
2" Sofa Cushion	1.25
